

CONSENT FORM

FILM & PHOTOGRAPHY

Thank you for letting us document your story, take your photograph and/or film you!

Your participation in Rädda Barnen/Save the Children's communication **is entirely voluntary**. Please note that we will not be able to influence your own or your child(ren)'s individual situation. What we can do, however, is make your voices heard via our communication. Your participation helps to raise awareness regarding the situation of children and to spread knowledge, so that more children can have a better life. Your participation also helps us to generate public opinion (public engagement), which we can then use to put pressure on politicians and decision-makers – all to bring about **sustainable and long-term solutions for all children**. Your participation will also help us to raise funds, so that we can continue our persistent **fight for the rights, security and protection of children. In Sweden and around the world. Together we will make the world a better place for children. Thank you!**

Think carefully about what consequences your participation could have for you and your family, and also for friends and relatives in other countries. Is there perhaps someone who claims that you owe them money for your trip to Sweden? Is there anyone who should not know that you are in Sweden?

I hereby give my consent for Rädda Barnen/Save the Children as follows:

(a) Representatives of Rädda Barnen/Save the Children may **photograph, film, interview and record my voice and the voice(s) of my child(ren)**.

(b) Rädda Barnen/Save the Children and partners (major donors) may use my child(ren)'s name(s), filmed material, photographs, interviews and voice(s)), in part or in whole, primarily for digital channels (Facebook, Instagram and online), and for articles, news and in printed material, including, but not limited to, **to raise awareness and educate about children's issues and to generate funding for Rädda Barnen/Save the Children's work in Sweden and around the world.**

Many of your details are personal data. **We will only use your personal data for the purposes for which you give consent here.** You may remove your consent by contacting us. You also have other rights.

These are outlined in our Integrity Policy which can be found at raddabarnen.se.

I give my consent until further notice. All usage as outlined above requires no further consent from me. I also disclaim any right to receive compensation or economic benefit.
